

The Tides Inn

Room Rates

(Double Occupancy per Night)

Two Double Beds	\$155.00
King Standard	\$140.00
Large Full Suite King w/ Full Kitchen, Living Room, Fireplace, and Balcony	\$195.00
Mini Suite w/ Living Room, Fireplace, and Balcony	\$170.00
Suite Combo – Full and Mini Suite	\$340.00

We have a beautiful full-suite that is a large accommodation (like a large one-bedroom apartment) with living room, fireplace, balcony, very comfortable queen wall-bed in living room, fully-appointed, large kitchen (from dishwasher to ice maker to blender), separate king bedroom, large bath, and unbelievably beautiful views from the living room, balcony, and bedroom. This room is \$195.00 per night.

The mini-suite is not as large, does not have the kitchen, but has most of the attributes of the full-suite. It has a pull-out queen sofa instead of a wall-bed. It is \$170.00. The mini-suite has a microwave, refrigerator/freezer, coffee maker, toaster and again, the most unbelievable views. This room is on the third floor so the views are more panoramic than the second-floor full-suite.

We also have a standard room with two full (double) beds. Rent per night on this room is \$155.00. It is on the bottom floor and has beautiful views of the ocean. OR - a standard room with a king bed for \$140.00. These rooms have microwave, etc. just like the mini-suite mentioned above.

All of our rooms come with an in-room Continental Breakfast of juice, coffee, chocolate, tea, pastry, and bottled water.
