

The Tides Inn

Room Rates

As of November 6th, we have lowered our prices due to the down-turn of our Nation's economy

Two Double Beds	\$155.00
King Standard	\$140.00
Large Full Suite King w/Full Kitchen, Living Room, Fireplace, and Balcony	\$195.00
Mini Suite w/ Living Room, Fireplace, and Balcony	\$170.00
Suite Combo – Full and Mini Suite	\$340.00

All of our rooms are OCEANFRONT with marvelous views of the ocean.

We have a beautiful full-suite that is a large accommodation (like a large one-bedroom apartment) with living room, fireplace, balcony, very comfortable queen wall-bed, fully-appointed kitchen (from dishwasher to ice maker to blender), separate king bedroom, large bath, and unbelievably beautiful views from the living room, balcony, and bedroom. This room is \$195.00 per night (\$215.00 on Friday and/or Saturday).

The mini-suite has a separate king or queen bedroom; fireplace, balcony, and sofa-bed in the living room. It is \$170.00 per night (\$185.00 on Friday and/or Saturday). This room is on the third floor so the views are more panoramic than the second-floor full-suite.

We also have a standard room with two full (double) beds. Rent per night on this room is \$155.00 (\$170.00 on Friday and/or Saturday). It is on the bottom floor, has a private deck, and beautiful views of the ocean. OR - standard rooms with king beds for \$140.00 (\$155.00 on Friday and/or Saturday). One of these rooms is on the bottom floor with a patio and has a walk-in shower that is wheelchair accessible. The other standard rooms are on the second floor.

We provide a Welcome Basket of juice, pastry, coffee, tea, hot chocolate, bottled water, cookies, etc. A Welcome Bag is included for guests between the ages of 3 and 12. All of our rooms have a microwave, toaster, refrigerator/freezer, coffee maker, hair dryer, secure WiFi, access to iron and board, and, again, the most unbelievable ocean views.
